Card grading fees cheat sheet

The cheapest and fastest tiers each grading company has open, per card.

Fee per card before shipping, the company's own turnaround estimate, and the value cap, as published on the dates shown.

TIER	PSA	BGS	CGC	SGC	TAG	ACE
Cheapest, one card	Value $39.99 a card 90–100 business days cards up to $500	Express $79.95 a card 15 business days	Economy $20 a card 90 business days cards up to $1,000	Standard (≤$1,500) $50 a card 40+ business days cards up to $1,500	Standard $59.95 a card 45 business days	Basic ~$23.92 (£18) a card 30 business days
Cheapest with a minimum	–	–	Bulk $17 a card 150 business days min 25 cards cards up to $500	–	Value $29.95 a card 90 business days min 10 cards	–
Fastest	Premium 1 $999 a card 5–7 business days cards up to $25,000	Express $79.95 a card 15 business days	WalkThrough $300 a card 2 business days cards up to $100,000	Expedited (≤$3,500) $150 a card 2–3 business days cards up to $3,500	Premier $299.95 a card 3–5 business days	Luxury ~$132.88 (£100) a card 2 business days
Read on	2026-11-21	2026-07-14 (open tiers 2026-10-15)	2026-11-16	2026-09-17	2026-11-16	2026-11-16

Fees read from each company's own pages: PSA 2026-11-21 · BGS 2026-07-14 (open tiers 2026-10-15) · CGC 2026-11-16 · SGC 2026-09-17 · TAG 2026-11-16 · ACE 2026-11-16

Fees per card before shipping and insurance, as each company publishes them on the date in the last row; turnaround is the company's own estimate in business days. "—": no such tier open.

ACE: ACE prices in GBP; USD figures are converted and approximate. 1 GBP = 1.3288 USD on 2026-10-28.

BGS: prices from its grading page as read on 2026-07-14; open tiers as read on 2026-10-15.

Fees change often: check the company's own page before you send. A guide, not a guarantee of any fee or grade. PSA, BGS/Beckett, CGC, SGC, TAG and ACE are trademarks of their owners; SlabbyPrep is not affiliated with any grading company.
